

WENDY'S LITTLE INKLINGS  
2017-2018 ANNUAL CATALOGUE CORRECTIONS

Page #	Item(s)	Description
4		In the Regals Collection, the colour swatch for Garden Green is incorrect.
11	145387	The Soft Sayings Card Kit Refill does NOT include a clear stamp block. The text should read as follows: Includes everything from the Soft Sayings Card Kit - minus the stamp set, ink, clear stamp block, and box - so you can create 20 cards.
27	143858 143861 144466	The wrong coordinating circle punch is listed. This set coordinates with the 1-3/8" Circle Punch, not the 1-3/4" Circle Punch.
73		The It's Your Birthday sample uses bows from the Balloon Pop-Up Thinlits Dies (in the 2017 Occasions Catalogue), which retired May 31.
87, 188	144110	The photos for the Whole Lot of Lovely Designer Series Paper shows the two centre papers with the wrong designs on the back. The black paper with the bold flowers should be shown with the multicolour stripe design on the back, and the green paper with white leaves should be shown with the pink and white flowers on the back.
92	143666 144385	The shading showing the die coordination is missing from some of the images.
201	141979	The measurement for the Embossing Paste is incorrect. It should be 4 fl. oz. to indicate measurement of volume, not weight.
205	131375	The Stampin' Trimmer Replacement Mat includes two replacement mats, instead of one listed.
223	143767	Some of the images in the Tranquil Tulips Stamp set artwork are sized incorrectly.
231		Page 231 of the Canadian catalogue (English version) show incorrect prices. An adhesive correction sticker is included with the catalogue, showing the correct pricing.
