Paper: Whisper White (100730) & Poppy Parade (119793) Cardstock, Botanical Butterfly Designer Series Paper (149622)

Measurements:

- Basic Black: 4" x 11", scored and folded at 5-1/2" (card base)
- Whisper White: 4-15/16" x 3-7/16" (it's just a shade smaller than the Poppy Parade piece) + 2-1/2" x 2-1/2" square
- Poppy Parade: 5" x 3-1/2"
- Botanical Butterfly DSP: 5-1/2" x 4"

Instructions:

1. Using Memento ink, stamp the dog onto the square piece of Whisper White cardstock. Stamp the spots onto the dog using the same ink.
2. Stamp the collar onto the dog using Poppy Parade ink.
3. Punch the dog using the Dog Builder Punch. Set aside
4. In the bottom right corner of the larger Whisper White rectangle, stamp the sentiment using Memento ink.
5. Glue the Botanical Butterfly DSP to the card base using SNAIL.
6. Glue the Whisper White cardstock to the Poppy Parade cardstock, making sure that you have a small Poppy Parade edge sticking out on the bottom and right sides. You shouldn't be able to see the Poppy Parade on the left and top sides of the card. Glue the entire layer to the upper left corner of the card base.
7. Adhere the dog to the card using Stampin' Dimensionals. His tail should be over the edge of the Whisper White cardstock, to help centre him over the sentiment.
