Instructions:

1. Score the Basic Black at 5-1/2" and fold in half. Set aside.
2. Use Stampin' Seal to adhere the 3 strips of Butterfly Bijou Designer Series Paper to the strips of Just Jade cardstock. Set aside.
3. Emboss the front of the card using the Subtle 3D embossing folder and the Stampin' Cut & Emboss Machine.
4. Add Stampin' Dimensionals to the backs of the three Just Jade strips and adhere them to the card, approximately 1/2" from the fold line.
5. Stamp the 'congratulations' sentiment onto the strip of Basic White cardstock, about 1/2" from the left side. Punch this end with the Banners Pick a Punch.
6. Punch one end of the Just Jade 3/4" wide strip using the other side of the Banners Pick a Punch.
7. Add Stampin' Dimensionals to the back of the Basic White Strip, and adhere to the Just Jade strip. Check the photo for placement. Cut the right side of the strips to size, and adhere the sentiment to the card using Stampin' Seal.
